

Diversity In Business

Welcome Back!

8/11/2018

As the school year is quickly approaching we would like to welcome you back. We are excited to start this year's class for Diversity in Business Fellowship and will be actively recruiting 1st year and 2nd year students at TCNJ. We have been working non-stop behind the scenes this summer to make this year's fellowship the best. Since those of you being emailed this have expressed interest in the past/ were apart of last years class we would like to welcome y'all to apply again to this year's fellowship. You may apply at <https://dbatcnj.wixsite.com/home>. Scroll down to apply button or apply page and follow the instructions (By applying you will automatically be enrolled in this year's fellowship). Please spread the word of this fellowship to those who may be interested!

We would also like to address everything new for this year's fellowship. Every third Wednesday of the month will be office hours where one will have the ability to meet up with their assigned mentor on a formal schedule. Pizza will be provided every office hour session and types of pizza for each session will be decided beforehand. Also new to this year's fellowship is fellowship gifts and t-shirts provided to each fellow (based on budget, the amount of gifts can increase). One fellowship t-shirt will be guaranteed to each fellow.

Lastly, we will be reaching out to businesses around the TCNJ area for potential sponsorship deals to help offload the cost needed to run the program. As you may already know, this program is free to all fellows and the Diversity in Business board must find innovative ways to increase funding for the fellowship. Because of this we would like to show how the fellowship has helped each fellow in the past through resumes and pictures. If you would like to share your resume to help visualize the impact the fellowship has had for you and/or share images of you at case competitions/company externships/ insight days please email those to dba.tcnj@gmail.com . We would love to continue helping you throughout you're college career and would appreciate this. If you need help building a resume, <https://dbatcnj.wixsite.com/home> has a resume template on the apply section (which also includes updated bullet points for Diversity in Business).

Please reach out with any questions at dba.tcnj@gmail.com .
